Mossberg® Terminates Relationship with Dick's Sporting Goods

NORTH HAVEN, CT – O.F. Mossberg & Sons, Inc., a leading American firearms manufacturer, announced today its decision to discontinue selling products to Dick's Sporting Goods, and its subsidiary, Field & Stream, in response to their hiring of gun control lobbyists in April 2018.

Effective immediately, O.F. Mossberg & Sons will not accept any future orders from Dick's Sporting Goods or Field & Stream, and is in the process of evaluating current contractual agreements.

“It has come to our attention that Dick's Sporting Goods recently hired lobbyists on Capitol Hill to promote additional gun control.” said Iver Mossberg, Chief Executive Officer of O.F. Mossberg & Sons. “Make no mistake, Mossberg is a staunch supporter of the U.S. Constitution and our Second Amendment rights, and we fully disagree with Dick's Sporting Goods' recent anti-Second Amendment actions.”

Consumers are urged to visit one of the thousands of pro-Second Amendment firearm retailers to make their purchases of Mossberg and Maverick® firearms. Firearm retailers can be found through the Mossberg Dealer Locator by visiting <http://www.mossberg.com/dealers/>.
